Speaker: Delegate Rob Bell

Serving Virginia's 58th District in the House of Delegates since 2002

TOPIC: "What Just Happened?" (VA's 2022 Assembly)

Delegate Rob Bell attended the University of Virginia on scholarship and graduated with honors from both the college and UVA law school. Prior to running for office, Rob served as a state prosecutor in Orange County for five years. Since his election as a Republican to the Virginia General Assembly, Rob has written laws that crack down on repeat-offense drunk driving and keep sex offenders off school property. He has also passed laws to expand Virginia's protective orders and to require life in prison for those convicted of raping children. In 2015 he authored the law to address sexual assaults on college campuses, and in 2016 Bell led the effort to expand Virginia's stalking laws and empower crime victims. In recent years, Rob has also worked to improve mental health care in Virginia. In 2014, he patroned Virginia's "bed of last resort" law to ensure that a bed at a state hospital is always available when a court has ordered treatment. In 2019, he wrote a new law to establish minimum standards for mental health care in Virginia jails.
