U.S. Senate Candidates: Eddie Garcia & Chuck Smith (Plus, other Invited Senate Candidates)

Eddie Garcia is an Army veteran, having served 22 years. During his service, he completed six combat deployments (3 in Iraq / 3 in Afghanistan). He was also an essential member of the special operations community for 14 years. Eddie spent five years serving as a national security advisor and legislative liaison, working closely with policy experts, legislators, and the Pentagon to pass legislation that enhances national security, supports Gold Star families and the welfare of veterans. Eddie has a Masters in Legislative Affairs from George Washington University and from the University of Maryland Global Campus, both a Masters (Information Technology) and a Bachelors (Business Administration). Today, he is a small business owner. **Chuck Smith** joined the U.S. Marine Corps and served two years of active duty in the Marine infantry (1970 to 1972). Chuck says joining the Marines was one of the best decisions he ever made. He says the Corps taught him the importance of discipline and leadership, how to work as a team, and the virtues of honor, courage, and commitment. Following military service, Chuck attended North Carolina Central University for six years where he obtained two degrees — a Bachelor of Science Degree in political science in 1975 and a Juris Doctorate (J.D.) Degree in law in 1978.
